

## TERMS AND CONDITIONS

### PRICES – Wholesale Only

The prices listed are solely for the use of the wholesale landscape trade, and are subject to change without prior notice. All prices are F.O.B. our Stayner yard. Material cannot be purchased by the end user at wholesale prices - please do not send your customers in to pay for material. All end users will be charged Retail Pricing.

### TERMS

Credit can only be established by a written credit application. For customers with established credit all invoices are payable within 30 days. Overdue accounts are subject to 2% interest per month (24% interest per annum) past 30 days. We reserve the right to refuse further credit if an account is past due. All N.S.F. cheques will be subject to a \$45.00 service charge, and all further purchases must be paid for by cash, MasterCard, Visa, or certified cheque. Customers without approved credit are C.O.D. with absolutely NO exceptions.

### H.S.T.

H.S.T. is applicable on all stock and charged in addition to listed prices.

### GUARANTEE

We guarantee that all stock is received in good health and condition. We offer no further warranty and will not be liable for plant material once received and accepted by the customer.

### DELIVERY

Charges are additional to catalogue prices and are dependent on size of order and delivery location. Minimum charge is \$145.00 for trees and/or plant material and includes driver and mandatory assistant. Local delivery of mulch/soil/compost available with a minimum of 3 cubic yards, at \$105.00 per load. Clearview Nursery Ltd. provides curb side deliveries only, unless organized prior to shipment. Clearview Nursery Ltd. is not liable for property damages incurred during delivery or responsible for repair costs.

### PICK-UPS

When picking up plants in an open truck or trailer, please bring sufficient tarpaulins to protect plant material from sun and/or wind damage during transport. Tarpaulins may be purchased at the nursery if required. Customers picking up stock, should provide 2-3 days advanced notice to allow sufficient time to dig trees or assemble the order(s), unless otherwise arranged with sales staff.

### RESERVING (TAGGING) PLANTS

Customers who wish to reserve plants may do so with tags received from sales staff. All tagged material must be picked up OR paid in full within 15 days or tags will be removed without prior notice. Orders may be held for longer than 15 days if paid in full. Orders that have been paid for, but remain in our yard until required by the customer are non refundable orders and may be subject to a maintenance/irrigation fee at the discretion of our sales staff.

### SPECIAL ORDER PLANT MATERIAL

Special orders of non-catalogue material will only be processed on receipt of a non-refundable deposit of 25% from you, the customer. Once the order is received in our yard, you will be invoiced for the balance owing and normal terms (as listed above) will apply. Any additional delivery charges may be applied. Special Orders should be placed in advance, minimum of 1 week prior to expected pick up or delivery.

### RESTOCKING CHARGES

Any material being returned for credit must be in the condition in which it was sold and will be subject to a minimum 10% restocking charge. Returns are permitted in a timely manner only at the discretion of management. We do not offer cash refunds.
